Item Reference: SA1229394

Date of manufacture: 18th Century

Description

An 18th century portrait of a bewigged gentleman, in the manner of Alan Ramsey 1713 - 1784. The portrait is of superb quality and has been relined on a square canvas and stretcher but originally would have been on an oval stretcher and set within an oval frame. The frame the portrait is set within a later 20th century gilt frame, and is in very good condition. Overall measurements Height 68cm x width 57cm x depth 4.5cm Sight size Height 56.5cm x width 44.5cm
