Description

Vintage 20th century good quality oak sideboard, a handsome and practical piece that offers generous storage while showcasing the timeless appeal of beautifully matured oak. Very well made and of good quality, it is well constructed and designed to suit both traditional and contemporary interiors. The upper section is fitted with three spacious drawers, each retaining its original oak knob handles. Below are two cupboards comprising a double-door cupboard to the left and a single-door cupboard to the right, both enclosing a single internal shelf to provide ample storage for crockery, tableware or household essentials. Raised on sturdy square legs, the sideboard has a strong, well-balanced appearance that reflects its quality craftsmanship. The timber displays gorgeous natural grain and a rich, warm colour throughout. Its clean lines and pleasing proportions allow the beauty of the wood to take centre stage, creating a piece with lasting character and understated elegance. Presented in good condition, this desirable vintage sideboard is both decorative and highly functional. A versatile piece of furniture with excellent storage capacity, it would make a superb addition to...
