Description

Antique 20th century chest of drawers in golden oak, a charming and compact piece that combines good craftsmanship with timeless appeal. Well made it offers practical storage in an attractive design, making it ideal for a bedroom, hallway or living space. The chest is fitted with two generously sized drawers, each retaining its original decorative handles, providing convenient storage while preserving the authentic character of the piece. A raised gallery to the top adds a distinctive finishing touch, enhancing both its appearance and practicality. In beautiful golden oak, the timber displays gorgeous natural grain and a rich, warm colour throughout. The attractive figuring, sturdy construction and pleasing proportions reflect the care taken in its manufacture, resulting in a highly desirable piece with enduring charm. Presented in good condition, this delightful oak chest of drawers is both functional and decorative. A versatile example of 20th century furniture, it would make a wonderful addition to any home and is sure to be appreciated for its character and classic styling. Product Reference : AF - 6179
