Description

From a large property in the Peak District we have a rather super mid 19th century 2 drawer pine table in its original paint with some great wear and aging in the right places. Of particular interest is the well turned legs - we just love them. Pretty much untouched, the table is the perfect size for a period hallway or maybe to be utilised as a desk. We have genuine attractive wear with a pleasing faded speckled caramel tone to the "feathered" paint, both drawers are working as they should and the table sits well being ready for placing after a careful once over in our workshop. It's likely the table would have had a little raised gallery, but long gone. A super period piece of "feather" painted pine furniture English C1860. Dimensions Overall: Height 76cm x Width 107cm x Depth 53cm Drawer Inners: Height 7cm x Width 41.5cm x Depth 42cm Kneehole: Height 61.5cm x width 89.5cm
