Description

A fine oil on panel of small proportions of a gentleman riding in the woods by George Goodwin Kilburn RI, RBA (British, 1839-1925). Signed lower right. The work depicts a gentleman in traditional 19th century hunting clothes mounted on a bay horse next to a wooden gate in an autumnal woodland setting. The work is extremely well executed, with the high detail for which Kilburn was renowned. The detail and depth of the scene is quite remarkable in a panel of only 17 x 24cm. The work is housed in a period gilt frame. Some small losses (please see photographs) but generally presents well. PROVENANCE: - Sir John Acland (1928-2006); - Thence by descent.
