Description

A stunning mahogany parlour chair that dates to around 1860. It is in great original condition with a nice waxed finish and a rich brown patina. It has been re-upholstered in a pretty lemon damask fabric with a buttoned back, sitting on turned bobbin feet with china casters. It measures 41 inches high, 37 inches wide and 30 inches deep. A really attractive chair that would grace a period setting. For collection or I can arrange delivery.....please contact me for a quote.
