Description

An unusual and attractive PAIR of framed MINIATURES, presumably of husband and wife, though perhaps brother and sister? Each beautifully painted portrait (on card) is displayed within a gilt frame, both of which are mounted on velvet and within a glazed rosewood frame. Judging by the dress of the subjects, these look to be dated early/mid 19th century. To the back is an easel so that this can be table-mounted or hung on a wall. 20 cms high; 12 cms wide. (As this is glazed, it has not been easy to photograph! The shadow across the gentleman for example, is a reflection and does not appear in reality) ** Please note that these framed miniatures are not on view in the shop; for further details call 07860 818212 or e-mail kerry@quietstreetantiques.co.uk
