Description

Large Copper Lantern, Victorian Street Light, Gate Post Light This is a Large Copper street light Lantern, it has glazed sides and sits on an iron pole fitting bracket. This is a superb piece there are no cracks in the glass, the copper is age weathered and has a great look, we have put a light inside to show how simple this would be to wire when being placed on a Pole or Gate Post. The Lantern is 17" across at the wide part and 42" high on the iron pole fitting PM152. To get an accurate delivery quote please send the item number with your location to Elmgarden Antiques.
