Item Reference: SA1229723

Date of manufacture: 19th Century

Description

This is a lovely mid 1800s mahogany corner cupboard of small size. Probably from a ships cabin originally. It can be used on a wall in a corner, there are holes in the backboards where it has previously be hung or as its so small it can just sit on a surface. Unusual to find a corner cupboard this small. It only measures 31cm w x 20cm h.
