Description

A smart and useful antique Georgian style inlaid mahogany console table. This was made in England, we would date it to around the 1930's. It is of excellent quality and is a lovely size. The top has a breakfront design, the edges are reeded and it has a single drawer beneath. The drawer has brass handles and fine, hand cut dovetailed joints. There is satin wood inlay either side of the drawer, this stands on finely tapered legs that terminate in spade feet. We have had this recently re-polished, the condition is excellent for its age. Width – 35.5 inches , 90 cm Depth – 14 inches , 35 cm Height – 30 inches , 75 cm
