Description

A beautiful antique mahogany two door cabinet on legs in the Georgian style. This was made in England, it dates from around the 1900-1910 period. It is of superb quality and has a very smart design. The panelled doors have a single grooved drawer above, the front corners are nicely curved and grooved, with detailed carving at the top corners. This sits on tapered and fluted legs, the top is cross banded. The colour tones and mahogany grain patterns are stunning throughout. We have had this recently re-polished, the condition is excellent for its age, with just some extremely minor wear remaining beneath the polish here and there. Width – 36 inches , 92 cm Depth – 18 inches , 45 cm Height – 32.5 inches , 82 cm
