Description

Antique 20th century chest of drawers in oak, a charming and practical piece that combines quality craftsmanship with timeless appeal. Well made and of good quality, this attractive chest offers useful storage while retaining a classic design that will complement a wide range of interiors. The chest is fitted with three drawers in total, arranged as two smaller drawers above one larger drawer, each retaining its original decorative handles. A raised gallery to the top adds an attractive finishing touch while enhancing its traditional character. Standing on bracket feet, the chest has a sturdy, well-balanced appearance that perfectly suits its elegant proportions. The oak displays gorgeous natural grain and a rich, warm colour throughout, giving the piece plenty of character and visual appeal. Its pleasing proportions, quality construction and desirable compact size make it a particularly attractive example, suitable for use in a bedroom, hallway or living space. Presented in good condition, this handsome oak chest of drawers is both decorative and functional. A delightful piece of 20th century furniture with enduring charm, it would make a perfect addition to any home. ...
