Very well made and of good quality, this handsome sideboard offers generous storage while showcasing the outstanding beauty of figured burr walnut. A truly striking example, it has to be seen in person to be fully appreciated. The sideboard is fitted with two spacious cupboards, one at either end, each enclosing a single internal shelf for practical storage. Between them are three centrally arranged drawers, all retaining their original handles and fittings. A raised gallery crowns the top, adding an attractive finishing touch while enhancing the cabinet's period character.
