Description

Superb flame mahogany tea table of outstanding quality and condition. This is a really nice piece of antique furniture. Made from the best of timbers and mirror matched perfectly all round. Wonderful design base with super cluster type column. There is a bit of Scottish influence to this table but I believe it to be Dutch in origin. It is one of the nicest tea tables we have offered for sale for some considerable time. The condition is really good with the original colour and finish. SIZE; 35" wide by 17 1/2" deep by 31" high CIRCA; 1830
