Depth = 41 cm (16.1")

Description

Victorian Tann's Safe on Stand Antique Tanns Defiance Luxury safe restored to showroom condition. We proudly present this very rare and exceptionally magnificent John Tann Bent Corner Safe, now in stunning, fully restored condition. Originating from the renowned Defiance Safe & Lock Works at London Fields, London, N.E., this safe was crafted during the late-Victorian period (c.1880). John Tann is widely regarded as one of the oldest and most prestigious safe makers in the world, renowned for pioneering heavy steel plate, fire- and burglar-resisting safes. This fully restored piece is a unique collector's item, offering an unparalleled blend of security, history, and exquisite luxury finish, now offered in genuinely magnificent, museum-quality condition. This bespoke luxury safe has been fully restored from bare metal, having been stripped and lished to ensure the highest quality refurbishment possible. The exterior features a rich, subtle metallic Royal Blue finish bordered by a sleek Black frame, which is beautifully accented by intricate gold pinstripe coachwork and corner flourishes across the door, top, and sides. The entire safe has been hand-polished and waxed t...
