Description

Regency Mahogany Chest of Drawers Item Code: LC1442 A handsome Regency period mahogany chest of drawers, dating from the early 19th century. The chest is constructed in richly figured mahogany, with particularly attractive matched grain across the drawer fronts. It features three long graduated drawers, each fitted with brass circular handles and decorative key escutcheons. The chest stands on shaped bracket feet with a gently shaped apron, while the top is finished with a moulded edge. The strong figuring of the mahogany gives the piece considerable character and makes it an attractive and practical example of Regency cabinetmaking.
