Description

A dignified 19th-century oil portrait of a seated gentleman in formal attire, set against a deep, shadowed background. His grey hair and pronounced sideburns frame a composed expression, with one hand resting on a red surface that adds a subtle touch of colour. Presented in a simple wooden frame, the canvas shows the gentle craquelure and warm tonality expected of age. A thoughtful, atmospheric portrait — full of period presence and ideal for adding character to an interior.
