Description

A set of four very fine silver menu holders in the form of animals, each fully hallmarked for A. Wilcox, Chester, 1837-38. Retailed by Wilson & Sharp Ltd, Edinburgh. Contained within their original box. Each menu holder depicts a different animal, namely a stag, horse, dog and hare. Each menu holder remains in an excellent, almost untouched condition. The original box is in a very good condition indeed. There is a very slight 'smile' when closed, but the clasp still clicks shut as it should, the exterior is clean and the interior lining remains impeccable. A fine set.
