Description

We have a good looking pair of bergere armchairs which are sitting well and on the smaller side making them perfect if space is tight. English late 1920s, very attractive with front paw feet, well shaped arms and fine looking round backs. They are comfortable to sit in. Condition is good with the frames solid and tight, just genuine day to day historic wear with no repairs. The extensive cane wear has a few nicks to the backs but nothing to be particularly concerned about. We have a tight webbed and sprung base on which the seat cushions sit which are upholstered in a woven fabric in shades of dusky pink with little blue accents, is good, clean and rip free with a little wear but perfectly usable. If you wish to discuss reupholstery please call us. Mark our upholster has completed many of these for us in the past. We've ensured both chairs are ready for placing. A great looking pair which are ready to place and would look good as a pair. The price is for the pair. Dimensions Overall: Height 81cm x Width 64cm x Depth 76cm Seats: Height 43cm x Width 50-45cm (Between the Arms) x Depth with Cushion 45cm and without 64cm When purchasing from us we include delivery in th...
