Description

An excellent example of an elegant Regency period WALL CLOCK in full working order. The solid mahogany case has a narrow surround which frames the convex glass within its cast brass bezel. The eight-day fusee movement retains its original pendulum and keeps excellent time whilst the 12-inch convex dial is signed for Martin, London. Good original slender blued steel hands. In perfect working order and guaranteed at least two years. circa 1830-45. * Please note that this elegant Wall Clock is not on view in the shop; for further details call 07860 818212 or e-mail kerry@quietstreetantiques.net
