Price

GBP 675

| USD \$920 | EUR 788

Item Reference: SA1230095

Date of manufacture: 1920

Dimensions

Height = 1100 cm (433.1")

Width = 1200 cm (472.4")

Description

This magnificent set of 12 point 'Royal' Red Deer antlers was discovered in a cellar of a converted Victorian convent in Woking, Surrey. At 1.2 metres across by 1.1 metres high we felt his lordship deserved to be mounted in the country house manner, with a shield and angled block crafted from reclaimed oak.
