Description

This striking French chandelier features a square brass cage frame which issues six external lights each holding a cut glass bobèche drip pan and one downlighter upper central in the frame. It showcases swags of hanging beads and rare, distinct art deco faceted crystals. A central spire rises through the middle, while a sharp obelisk crystal hangs at the bottom to complete the bold, unique design. With a lovely antique patina and good balanced shape this chandelier would look great in any interior space. c1910, Restored, wired, pat tested and ready to hang. Height 58cm x width 46cm, this is the height of the chandelier only without the chain and ceiling rose which comes with the chandelier and can be adjusted to individual requirements.
