Description

1920s Cyma pocket watch and chain. The watch has a signed 7-jewel stem-winding movement, reference 971, which is working nicely. The movement is protected by an inner cover which has some surface marking. The watch measures 50mm diameter excluding the winding stem and the loop. The case is nickel. The front and sides are in good condition. Some unevenness to the back. The acrylic lens is in lovely condition. The signed dial is in lovely condition with original blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes with a single chain, 34cm long including the T-bar and the clasp.
