Description

This wardrobe is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The wardrobe would look well in an old or modern property in a hallway or bedroom as a child's wardrobe. This is in two pieces however we have screw it together so it is in one piece and heavy. I will require a hand off the van with it into your hallway. The wardrobe stands on round turned bun feet supporting the main section. There are two large doors and the doors have one panel with the most wonderful carving. To the sides of each door are fluted columns and carvings to the top and bottom. Behind the door are shelves for storage and they are not fixed. There is an original hanging rail to the top. The top has a standard graduated cornice that is beautifully carved. This is truly stunning please buy with confidence! The height is 204cm, the width is 116cm and the depth is 51cm. The internal depth is 50cm.
