Description

This wardrobe is in good condition. We have professionally chemically stripped and restored it and then sanded it ready for you to either paint or wax. We can wax this in a lovely antique brown bri wax. Please email or telephone for a quote if you are interested. The wardrobe would look well in an old or modern property in a bedroom. This is in five pieces making it easy to move upstairs. The middle piece with the drawers is quite large however so your stairs need to be straight with no turns. The wardrobe stands on a square plinth supporting the main section. There are three large doors. The two side doors have one larger bottom panel and lovely carved top panel with grooves to the panel. There is a large mirrored central door with its original mirror. Internally to the left there are four furniture slides and to the bottom there are two small drawers over two larger drawers. The brass handles have been buffed. To the right side there are hanging rails and hooks. The height is 215cm, the width is 197cm and the depth is 64cm. The internal depth is 50cm.
