## Description

Showroom Condition Early Victorian Carved Chiffonier/Console Table Description: Bring a touch of timeless elegance and masterful craftsmanship into your home with this stunning early Victorian chiffonier, currently presented in immaculate, showroom condition following an extensive professional restoration in our workshop. This versatile piece, which functions beautifully as a substantial console table or chiffonier base, immediately commands attention with its graceful, serpentine-shaped top. This top is framed by an integrated, subtle low upstand, adding a refined boundary to the surface. Below, the elegant curved shape is echoed in the frieze and decorative, serpentine-shaped lower undertier shelf. The defining features of this exceptional chiffonier are its intricately carved legs. They boast a dramatic, scrolling cabriole shape, culminating in dramatically detailed and deeply carved hairy paw feet—a truly remarkable and high-quality detail (refer to close-up image 3). Adding another layer of distinct character, the legs feature beautifully carved diamond-shaped lozenges set just above the 'knees' on each side (visible in image 4), contrasting beautifully with the ...
