Date of manufacture: 1900

Description

Antique 15ct Gold Peridot and Pearl Pendant. A beautiful antique 15ct Gold pendant set with peridot gemstones and natural seed pearls. The peridot gemstones have been milgrain set, giving the stones a pretty edging. A peridot dropper dangles from the base. The seed pearls have been claw set. The combination of 15ct gold, peridot, and seed pearls is very characteristic of Edwardian and late Victorian jewellery, known for its delicate and intricate designs. This is a truly stunning antique pendant dated circa 1900-10. It is the perfect gift for someone with an August birthday as Peridot is the August birthstone, symbolising prosperity and harmony. It is in excellent condition. Dated: circa 1900-10 Pendant stamped: 15C Weight: 4.5 grams Measurements: 54mm (including the bale) x 29mm

Internal Ref: P9909
