Antique 9ct Gold Aquamarine & Seed Pearl Pendant - c1900

Price

GBP 795

| USD \$1,084 | EUR 928

Item Reference: SA1230211

Date of manufacture: 1900

Description

A beautiful and elegant antique 9ct gold pendant, dating to around 1900, exquisitely set with a round aquamarine gemstone and delicate seed pearls. The aquamarine has bezel set with a delicate millgrain edge. The gold frame features a graceful openwork design, complementing the aquamarine and pearls perfectly. With a generous size of 49mm x 25mm, this eye-catching piece offers real presence, yet retains a refined, feminine charm. It comes with the original 9ct gold rope link chain. This Edwardian era pendant is in excellent condition, ready to wear or add to your antique jewellery collection. Its timeless beauty and fine craftsmanship make it a stunning choice for lovers of period jewellery. Metal: 9ct yellow gold Dated: circa 1900 Stamped: pendant and chain are stamped 9C Total weight: 9.3 grams Pendant measurements: 49mm x 25mm Chain length: 44cm / 17 inches Condition: Excellent, antique
