Description

Antique 20th century good quality cupboard in oak, a handsome and practical piece that combines traditional craftsmanship with timeless styling. Very well made and of good quality, this attractive cupboard offers useful storage while displaying plenty of character and charm. The cupboard is fitted with two doors to the front, opening to reveal a spacious interior with a single shelf, making it ideal for storing household items, tableware or linens. It retains its original handles and fittings, preserving its authentic character, and stands on elegantly turned legs united by a sturdy supporting stretcher, giving the piece a well-balanced and refined appearance. The front is beautifully carved, adding decorative interest without detracting from the natural beauty of the timber. The oak displays gorgeous natural grain and a rich, warm colour throughout, while the pleasing proportions and quality construction make this a particularly desirable example of 20th century furniture. Presented in good condition, this charming oak cupboard is both decorative and highly functional. A versatile piece with enduring appeal, it would make a wonderful addition to a dining room, hallway,...
