Description

Antique 20th century Adam style side table in mahogany, a beautifully proportioned piece inspired by the elegant neoclassical designs of the Adam period. Very well made and of good quality, this handsome table combines refined styling with practical storage, making it a wonderful addition to a hallway, living room or drawing room. The table is fitted with three useful drawers to the upper section, each retaining its original decorative handles and providing convenient storage for everyday items. The attractive breakfront design gives the piece a distinctive profile, while the slender tapered legs enhance its graceful proportions and classic Adam style influence. The mahogany displays gorgeous natural grain and a rich, warm colour throughout, adding depth and character to the piece. Beautiful decorative detailing complements the elegant lines without overwhelming the design, while the quality construction and balanced proportions make this a particularly desirable example. Presented in good condition, this attractive Adam style side table is both decorative and practical. A fine piece of 20th century furniture with timeless appeal, it would make a perfect addition to any...
