Date of manufacture: 1900

Description

This exquisite antique crescent brooch, crafted in 15ct yellow gold, is a stunning example of Edwardian-era elegance. Set with sparkling diamonds and vibrant rubies, each gemstone is securely claw-set, enhancing the brooch's timeless appeal. For added strength and durability, the pin is made of 9ct gold, ensuring both beauty and practicality. Dating back to circa 1900, this brooch remains in excellent original condition. It could be transformed into a stunning necklace. It will be a perfect addition to any antique jewellery collection. Dated: circa 1900 Metal tested: 15ct yellow gold (pin: 9ct gold) Weight: 3.5 grams Diamond weight: .25ct approx Ruby weight: .50ct approx Length: 52mm

Internal Ref: BR2422
