Description

Antique 20th century chest of drawers in oak, a handsome and well-proportioned piece offering excellent storage together with attractive traditional detailing. Well made and of good quality, this charming chest has plenty of character and would sit comfortably within both period and contemporary interiors. The chest is fitted with four spacious drawers to the front, all retaining their original decorative handles and providing ample storage for clothing, linens or other household essentials. The upper drawer is particularly attractive, featuring beautifully carved decoration that adds depth and visual interest to the design. Raised on traditional bracket feet, the chest has a sturdy and well-balanced appearance. The oak displays gorgeous natural grain and a rich, warm colour throughout, beautifully complementing the carved detailing and original fittings. Its pleasing proportions, quality construction and decorative features make this a particularly desirable example of 20th century oak furniture. Presented in good condition, this attractive chest of drawers is both practical and decorative. Full of warmth and timeless character, it would make a wonderful addition to a b...
