Description

Early 20th-Century French Burr Walnut & Mahogany Cabinet A beautiful early 20th-century French cabinet, crafted in richly figured burr walnut and mahogany, with an elegant and refined appearance. The cabinet features a wonderfully decorative upper drawer above a single front door, both beautifully framed and complemented by the warm, highly figured grain of the burr walnut. The finely detailed decorative brass escutcheon and fittings add a touch of elegance, while the slender tapering legs give the piece a graceful, light appearance. The combination of burr walnut, mahogany, intricate veneers and classical proportions makes this a particularly attractive piece of French furniture. Its compact size makes it ideal for use as a bedside cabinet, occasional cabinet, or a stylish storage piece in a bedroom, hallway or sitting room. A charming and sophisticated antique with beautiful timber, elegant detailing and plenty of character. Dimensions: Height: 82 cm Width: 46 cm Depth: 37 cm For 35 years, I have specialised in selling and restoring Antique French Bedroom furniture. Each piece is meticulously revived to enhance both modern and classic spaces. All of my carefully ...
