Description

Antique 20th century small serpentine chest of drawers in burr oak, a beautifully shaped and highly desirable piece displaying exceptional quality throughout. Very well made and of fine quality, this attractive chest combines elegant proportions with practical storage, while its desirable compact size makes it particularly versatile for a variety of interiors. The chest is fitted with four useful drawers to the front, each retaining its original decorative brass handles. The beautifully flowing serpentine front gives the piece a graceful and distinctive appearance, while the shaped bracket feet with decorative stud detailing provide an attractive finishing touch and complement the traditional design. The burr oak is particularly striking, displaying beautiful natural figuring, gorgeous grain and a rich, warm colour throughout. The combination of the unusual timber, elegant serpentine form and quality construction gives the chest tremendous visual appeal, making it a particularly attractive and desirable example. Presented in good condition, this charming burr oak chest of drawers is both decorative and highly practical. Its compact proportions make it ideal for a bedroom...
