Description

Size: 12ft 2in x 7ft 9in (372 x 235cm). Antique Ersari Turkmen main carpet from Southern Turkmenistan or Northern Afghanistan. Circa 1890. This is a good large size example of an Ersari Turkmen main carpet, the three rows of nine large Ersari guls are separated by well drawn filler elements. The border is of a traditional Ersari design. The carpet has a warm colour palette with reds and burnt orange along with indigo blues. Note the original long kilim ends. The carpet is in fair condition with un-even wear and medium / low pile. (This is reflected in the price). The carpet is suitable for normal domestic use such as a dining room or a living room, especially if the country house 'lived with' look is required. Stock Number: DS-1268.
