Description

Victorian Burr Walnut Occasional Table Item Code: LC1404 A fine Victorian burr walnut occasional table, dating from the mid-19th century. The oval top displays richly figured burr walnut veneers arranged to particularly good effect, enhanced by delicate floral marquetry and fine line inlay. The top is finished with a moulded edge and supported on an elegant turned and spiral-fluted central column. The base is further enriched with carved detail and raised on three boldly scrolling legs, each terminating in a shaped foot, creating an attractive and well-balanced silhouette. The quality of the burr walnut and decorative inlay make this a particularly appealing example of Victorian occasional furniture.
