Description

Fine Renaissance Italian Oil on Canvas Set in Carved Giltwood Frame. Oil on canvas. We are pleased to offer a fine twentieth century Italian oil painting in the Renaissance manner. The composition features a central winged putto surrounded by angelic and celestial forms, rendered in soft tones with expressive movement and classical influence. The work evokes the spiritual drama and anatomical style of late Renaissance or Mannerist painters. Set in a beautifully carved giltwood frame, hand-finished in gold leaf, the piece offers strong decorative impact. Frame measures: 104 x 90 cm (41 x 35.5 in). Offered in good condition.
