Japanese Imari Porcelain Bowl Showa Period

Price

GBP 235

| USD \$320 | EUR 274

Item Reference: SA1230755

Date of manufacture: 1930

Description

This is a beautiful Japanese Showa period bowl in the Imari palette, in perfect condition dating from around 1920. The bowl is in good quality hard paste porcelain and is beautifully hand painted with geisha and typical Japanese Imari motif. This is attractively decorated and is a useful size measuring 26 cms in diameter by 12 cms high. UK insured packing and delivery is £12
