Description

Clean comtemporary-looking form, the decoration limited to simple scratch beading to the back. My friend David Jones told me there was a related set of chairs at the back seating area of 'The Ox' (The Oxford Bar, New Town in Edinburgh, made famous as the favoured haunt of John Rebus and Ian Rankin.). I haven't been for a few years, must go and check if they are still there... 91.5cm high x 48cm wide x 52.5cm deep Structurally sound and well=presented, with hand-woven wool drop-in seat. Historic repair to the back of the top-tail, see images For news and stock updates follow us on Instagram: jeckyllandco
