Antique Bow porcelain
Sparrowbeak creamer jug with
polychrome flowers, c.1760

Price

GBP 200

| USD \$273 | EUR 233

Item Reference: SA1230851**Date of manufacture: 1750**

Description

A rare antique Bow Sparrowbeak creamer jug, handpainted with polychrome flowers under an arched and dotted border. Some restoration to rim, shown in pictures in both natural and UV light. There is a small flare when the UV light is shone on the handle - I believe this to be just a splash of paint. A faint hairline to the rim, photographed at 4x zoom. All items can be posted safely worldwide.
