| USD \$225 | EUR 193

Item Reference: SA1230874

Date of manufacture: 19th Century

Description

This is an unusual piece, an antique child's rattle. The piece is well turned and when standing upright looks like a figure, a toy soldier etc. When shaken it rattles, there must be a ball or similar in the main body at the base. A very unusual 19th century Childs toy. It measures 18.5cm h x 3cm w. There is a small surface split in the turned section, but minor, see photos.
