Description

This church pew is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The church pew would look well in any old or modern property but particularly well in any room for seating purposes and can comfortably seat 2 people. This would be ideal to the side of a kitchen table or in a hallway. The church pew stands on beautifully shaped legs supporting the main section where there is a large seat that is rounded to the corners. The back rest is flat and panelled. The height is 88cm, the seat height is 45cm, the width is 142cm and the depth is 38cm.
