Description

This is a very stylish solid oak Art Deco period shelved side table. The perfect reading partner offering plenty of storage for books and a place for your brew. The design is extremely smart with the ribbed corners and limed oak contrast. The piece is extremely heavy for its size and I was convinced I would see a makers mark somewhere for its quality. However nothing obvious. Overall condition is good with minor colour variation to the top. Height 59cm Width 48cm Depth 48cm
