Description

An absolutely stunning Swedish Art Deco satin birch and walnut cabinet / bookcase. This was recently imported from Sweden, it dates from the 1930's. The quality is exceptional, it is incredibly well made and beautifully designed. It is predominantly satin birch, the central door has beautiful protruding panels with burl walnut fronts, the sides have bold columns that are also in burl walnut. The central cabinet opens to reveal a sycamore lined drinks cabinet space, with storage for bottles and glass holders built in to the door. Either side of the door are open sections each with two adjustable shelves. We have had this stripped and re-polished to a very high standard, the condition is immaculate throughout.
