## Description

These are a lovely pair of large Art Deco club chairs. I always love to find good pair of chairs that have a strong design and are of course comfy. These are both those things. The design is classic Art Deco with square backs but the added detail of the piped border exaggerates the shape nicely. Standing in ball feet with concealed casters. Measurements Height 80cm Width 87cm Depth 85cm Depth of seat 50cm Height of seat 41cm (On our website) If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 12 metres of material (6m per chair). You can supply your own or please get in touch and we will send you the list of fabric companies we work with.
