Description

Antique 18th century Georgian chest of drawers in oak, a handsome and beautifully proportioned piece that perfectly reflects the understated elegance and timeless character of Georgian furniture. Very well made and of good quality, this attractive chest offers generous storage while retaining the simplicity and charm expected from a piece of this age. The chest is fitted with four spacious drawers, each finished with decorative brass handles and providing ample storage for clothing, linens or other household essentials. Raised on traditional bracket feet, it has a sturdy and well-balanced appearance, with the clean lines and pleasing proportions allowing the beauty of the timber to take centre stage. The oak has developed gorgeous natural grain and a rich, warm colour over the centuries, giving the chest tremendous depth and character. Its attractive proportions, quality construction and classic Georgian styling make it a particularly desirable example with enduring appeal. Presented in good condition, this charming Georgian chest of drawers is both decorative and highly practical. A fine piece of 18th century furniture full of genuine period character, it would make a ...
