Description

Antique 20th century good quality cupboard in oak, a handsome and practical piece that combines traditional styling with excellent everyday functionality. Very well made and of good quality, this attractive cupboard offers generous storage while showcasing the warmth and character of beautifully matured oak. The upper section is fitted with a pair of cupboard doors opening to reveal a spacious interior with a single shelf, providing ample storage for household items, linens or tableware. Beneath are two useful drawers, each retaining its original oak knob handles, offering additional storage while preserving the cupboard's authentic character. Subtle carved decoration to the upper section adds a refined finishing touch without detracting from the simplicity of the design. The oak displays gorgeous natural grain and a rich, warm colour throughout, giving the piece plenty of character and visual appeal. Its balanced proportions, quality construction and understated detailing make it a particularly desirable example that would suit both traditional and contemporary interiors. Presented in good condition, this charming oak cupboard is both decorative and highly practical. A...
