## Description

Antique 20th century set of eight shield back dining chairs, a handsome and elegant set consisting of six single chairs and two carvers. Well made and of good quality, these attractive chairs combine classic proportions with beautifully detailed period styling. Each chair features a beautifully carved shield-shaped back, adding an elegant and distinctive feature to the design. The removable drop-in seats are upholstered in a light-coloured fabric, providing a subtle contrast against the rich tones of the frames. Raised on tapered legs united by supporting stretchers, the chairs have a refined and well-balanced appearance. The timber displays gorgeous natural grain and a rich, warm colour throughout. All eight chairs have solid frames with no unwanted movement, making them ready for continued use. Presented in good condition, this very desirable set of eight shield back dining chairs would make a perfect addition to any home.
