Description

Antique 20th century chest of drawers in oak, a handsome and practical piece offering timeless styling together with generous everyday storage. Well made and of good quality, this attractive chest has pleasing proportions and plenty of character, making it suitable for a wide variety of interiors. The chest is fitted with four spacious drawers to the front, each retaining its original brass handles and providing ample storage for clothing, linens or other household essentials. A raised gallery to the top adds an attractive decorative feature and enhances the traditional appearance of the piece. The oak displays gorgeous natural grain and a rich, warm colour throughout, giving the chest plenty of depth and visual appeal. Its understated design allows the beauty of the timber to take centre stage, while the original fittings and quality construction further add to its desirability. Presented in good condition, this charming oak chest of drawers is both decorative and highly functional. A very desirable piece of 20th century furniture with enduring character, it would make a wonderful addition to a bedroom, hallway or living space and a perfect addition to any home. Produ...
