Description

An absolute delight. A rare Jacques 8 player croquet set all within in its original pine box with clear stencil and interior brass plaque dating this set to Circa 1862. The set comprises 8 of the square topped heavy metal iron hoops; 8 original lignum vitae coloured balls, 4 stakes with bright coloured banding and 8 mallets showing honest lawn wear, two of which have some historic worm in the head but still very playable all with lovely patina
